August 2018

Well, what a scorching couple of months we have had! And what fantastic weather for the Buckden Village Festival and for Buckfest which were held on consecutive weekends in July. It's events like these that make Buckden such a special place to live. Thanks to Philip Miles and his team for organising the Festival, and to Rick Holden and his team for Buckfest. Both of these events require a huge amount of work from all the volunteers, and I'm sure you'll agree that it's all been worthwhile. Check out pages 13 and 14 for photos of Buckfest.

There has been a lot of concern expressed in the village about the various planning applications for quite large developments around Buckden. See page 9 for an update from the Parish Council.

The schedule for the Buckden Gardeners Association Autumn show can be found on pages 15 and 16. There are a wide range of classes which include not only flowers and vegetables, but also homecrafts and handicrafts (such as baking, needlework and wine-making). Why not have a go?

Please remember to visit the Roundabout website. There are often articles there that we could not fit into the print edition, as well as information that arrives during the month: <http://www.buckdenroundabout.info/>

Front Cover

This month's cover photo is of one member of the headline act at Buckfest, 'Essential 80s', and was taken by Alec MacAndrew - see more photos of Buckfest on page 13.

We are always looking for photos, images, drawings and paintings to use on the front cover so please keep sending them in. Please note that photos should ideally be in portrait format and should be a *minimum* of 2400 x 1700 pixels. More is better!

Cemetery

Those who visit the cemetery will notice that preparations are being made for the use of the additional section, adjacent to the doctors' surgery. We hope that a section of this area will be consecrated in a Church of England ceremony later this year. In a departure to reflect modern society, we are also leaving part of the cemetery unconsecrated for those of different faith or of no faith who would prefer to be buried, or their ashes interred, in non-consecrated ground.

The two village handymen have worked very hard to tidy the cemetery and to keep it looking as attractive as possible. As well as mowing the grass, they keep the ivy under control and have carried out extensive work on some of the older graves. During the winter, we intend removing the grass from around the memorials for cremated remains and placing gravel between these plots. This should make it easier to keep this section tidy and will differentiate this area from the remainder of the cemetery.

Unfortunately, there are still objects that are being placed on graves that are not allowed under the cemetery regulations. Whilst we appreciate that these are important to the people who place them, they can affect the general appearance of the cemetery. **If you are the owner of one of the plots, we would be grateful if you would take a look at our revised Cemetery Regulations on the Buckden Parish Council website. If you don't have computer access, our Clerk will give you a copy.**

Note: There is a notice from the Parish Council about Planning issues on page 9 of this issue.

Buckden Parish Council does not meet in August. The next meeting will be on Tuesday 11th September.

If required, the **Parish Council's Planning Committee** will meet on **Tuesday 14th and Tuesday 28th August** starting at 7pm. Agendas for the meetings are posted on the Parish Council notice boards not later than the Saturday preceding the meeting .

FROM YOUR COUNTY COUNCILLOR

The County Council continues its efforts to 'transform' the way services are being provided but the demand is increasing as resources shrink. There is an increasing proportion of young children adversely affected by special needs and domestic upheaval. There are more old people; this increased longevity, welcome though it is, brings with it greater adult social care costs. Cambridgeshire's financial problems are not unique to us. The County Councils' Network has surveyed its members (most of which are Tory-controlled shires) and the majority say that they cannot continue to provide the services expected and needed without an increase in taxation.

This poses a political problem for a government with a manifesto commitment to not increasing taxation. Even this pales into insignificance compared with the Brexit crisis as we enter a period of financial, commercial and social uncertainty unprecedented in our lifetime.

The proliferation of new administrative layers continues to confuse. The latest development is the creation of the 'Oxford-MK-Cambridge England's Economic Heartland'. This group has announced that it is to create a sub-national transport body and produce a transport strategy. Recently there has been a public disagreement between the Mayor and the Greater Cambridge Partnership (GCP) about aligning their respective transport plans and projects; now it is unclear how the England's Economic Heartland transport strategy for Cambridgeshire will align with both the Mayor's transport strategy and the work of the GCP. Bear in mind too that it is the County Council that has the residual transport responsibilities so what are we supposed to do? All this risks destabilising the work of county and district councils for whom infrastructure development is closely linked to planning approvals and housing supply projections.

I know that many Buckden residents are concerned about the potential over-development of the village. I hope you will be able to attend the public meetings about this, advertised elsewhere in this magazine, and make your views known. Clearly the demand for houses is very high and homelessness is a serious problem in this area. All the evidence shows us that lack of a stable home contributes to domestic and health problems and seriously damages a child's educational prospects. At the same time, the impact on local infrastructure (schools, roads, shops, medical services) has to be evaluated and mitigated.

On a more mundane level, I am hoping to arrange joint Buckden and Brampton volunteer action to improve the cycle path between the two villages.

If you wish to raise any local matters with me personally and would welcome a face-to-face conversation, I come to the Aragon Room in the Village Hall at 7 p.m. on the evening of the Parish Council meeting, the 2nd Tuesday in the month. At other times, please ring me on 07765 833 486 or write to me at peter.downes@cambridgeshire.gov.uk.

Peter Downes

FROM YOUR DISTRICT COUNCILLOR

Local Planning

There are currently three live requests for outline planning development at Lucks Lane (Bloor Housing, 180 houses), Mill Road (Gladman, 270 houses proposed) and Silver Street (Church Commissioners, 300/400 houses proposed). I am lobbying hard to represent our concerns about the look and density of the proposed developments and more specifically about increased traffic funnelling down the High Street (I live right on the A1 roundabout) and the A1 blind spots around Southoe and Diddington.

Huntingdonshire District Council has given formal approval to initiating the process for getting statutory approval of the HDC 2036 Plan. The Huntingdonshire Plan 2036 is currently undergoing a process of ratification, with an Inspector appointed and a series of evaluations set for the w/c 16 July and then 10, 17, and 25 September. Once ratified the 2036 Plan will then form the future Planning structure for our area. This will give Buckden and Diddington residents a good basis from which to influence future development in and around our villages.

I have been supporting the Parish Council on various Planning issues and have succeeded in getting HDC planners to review issues. I also met with the head of planning at HDC, Andy Moffat, to discuss a range of local issues, and this will be continued once the 2036 documentation has been completed by his team at HDC.

I am also on the Parish Council planning committee - the Parish Council is working on the development of a master plan for the village to give residents more say in planning. They will be asking residents for their views in the near future.

Housing Options

I attended the HDC/Cambridgeshire ACRE briefing on affordable housing development and visited seven completed and development sites in South Cambridgeshire and Huntingdon. I made useful contacts with several Developers and Housing Associations and saw what other villages are doing in developing affordable housing schemes for residents. The Buckden Parish Council is starting a consultation process with residents to discuss these issues.

A1 Traffic

I attended a useful and constructive meeting with the local A1 Traffic Team at Brampton and, as a result, they have moved some signage for night time diversions further to the south of our area. They have also improved communications with transport companies and their route schedulers. This appears to have worked as late-night trucks trying to access the Buckden high street diversion has decreased, although car access remains high. I drove the diversion routes late one night, and there are still problems which will be raised at the A1 meeting on the 12 July.

Otters in Cambridgeshire

The Huntingdonshire Local Group of the Wildlife Trust invites you to the first of our indoor meetings on Wednesday 12th September 2018. As usual this will be held at Brampton Memorial Hall, Thrapston Road, Brampton, PE28 4TB, starting at 7.30pm. Our topic, Otters in Cambridgeshire, will be delivered by Ruth Hawkesley.

These shy, but appealing creatures, have struggled in recent times to maintain their previous stronghold in our region. Ruth will explain the results from the 6th County Otter Survey that was carried out by the Wildlife Trusts and Cambridgeshire Mammal Group in the winters of 2016 and 2017 and the follow up site checks that have been undertaken this year. This should be a stimulating and uplifting talk and anyone who is interested is most welcome to attend. Booking is not necessary. The entrance charge is £2.50 (accompanied children free). For more information please contact Tim on 01480 457795.

A Tale of Trees, the Battle to Save Britain's Ancient Woodland

The Huntingdonshire Local Group of the Wildlife Trust invites you to this presentation on ancient woodlands on Wednesday 10th October 2018. As usual this will be held at Brampton Memorial Hall, Thrapston Road, Brampton, PE28 4TB, starting at 7.30pm. Our speaker will be Derek Niemann, who is a renowned nature writer and Guardian country diarist. Derek will look at how the destruction of up to half of the county's mature trees happened 40 years ago and will explain what has been done in recent years to ameliorate their loss.

This should be a fascinating talk and anyone who is interested is most welcome to attend. Booking is not necessary. The entrance charge is £2.50 (accompanied children free). For more information please contact Tim on 01480 457795.

Buckden Neighbourhood Watch

Security: When you leave the house even if it is only for a short time, make sure that doors and windows are secure. It only takes seconds to steal your property.

Lighting: Good lighting can deter a thief. Exterior lights to the front and rear of the house are not expensive. The preferred exterior lighting is 'dawn to dusk' lighting.

Sheds: The first place that many burglars look is the shed. They can be of light construction and are easily forced open. Sheds often contain tools which can be used for breaking into the main property. If you are unable to secure them with mortice locks, use padlocks or lockable bolts. Keep expensive tools in the house, secure ladders with a strong chain and padlock.

Burglar Alarms: Visible burglar alarms make a thief think twice, and noise attracts attention. There are many systems on the market. If you wish to have an system installed obtain several quotes from reputable installers who are UKAS Registered (United Kingdom Accreditation Service).

Keeping Safe: Take control of your home. Only allow in those people whom you invite in. There is no need to be embarrassed about refusing to let callers into your home. Fit a chain and use it every time you answer the door, do not remove it before you are sure the caller is genuine. Beware of all callers including women and children. Burglars don't always look suspicious, many are well dressed and use persuasive language to impress you.

For further information there is a National Neighbourhood Watch website.

PARISH COUNCIL NOTICE ABOUT PLANNING ISSUES IN THE VILLAGE

A number of residents attended the last two Parish Council meetings to express their concerns about current and proposed developments in the village. One action that the Council agreed after listening to those concerns was to share the information below to ensure that residents are clear about the facts in relation to the proposals. In addition we are keen to involve residents in our responses to these proposals. We therefore intend to hold public meetings in order to enable residents to be actively involved in this work.

LUCKS LANE DEVELOPMENT: It is common knowledge that as the result of the Appeal last year development will proceed on this site. The builders will be a building firm called Bloor Homes. They have outline permission to build up to 180 homes and will submit an application for detailed planning permission by the end of the year aiming to start the development in Spring 2019. The development will include 72 'low cost/affordable' homes. Members of The Parish Council Planning Committee have already met the builders and designers to discuss what might be incorporated into their detailed plan. We are planning a meeting with the Full Council and a Public Meeting so that the developers and HDC planning department have a clear indication of the wishes of the village as a whole.

SILVER STREET DEVELOPMENT: The proposed Silver Street development appears in the Draft HDC Local Plan to 2036 which is currently in the hands of an Inspector for ratification later this year. Although the Church Commissioners appear to be suggesting that they want to build up to 400 houses the figure in the draft plan is 270. Contrary to the information disseminated by a member of the Protect Buckden's Future group the Parish Council does not support the plan in its present form. The Parish Council is concerned about the impact of the volume of additional traffic on Silver Street and on its wider impact through the village and onto both the A1 and Offord main line crossing. A representative will appear before the Inspector to argue that the proposal is not viable. The Council will in due course ask the developers to meet the Full Council and then arrange a Public Meeting. At the moment no Outline Planning application has been made to HDC although initial discussions have taken place with HDC officers.

PROPOSED MILL ROAD DEVELOPMENT: Residents have been rightly concerned by the glossy brochure distributed by Gladman. This site is not included in the draft HDC Local Plan. Whilst the need for an Environmental Impact Review has been confirmed as not being required by the District Council, the Parish Council knows of no other actions taken by Gladman toward gaining planning permission.

The Council is keen to represent the opinions of residents and would welcome any views that you may have, to the Parish Council clerk preferably by letter or email.

Huntingdonshire Health Walk Scheme**Huntingdon Group July 2018**

There are 20 - 30 different healthwalks on the Huntingdon group's "patch". Led by trained walk leaders, walks take place every Wednesday at 2pm and Friday at 10am. August 2018's ten walks include one from the Buckden Village Hall on the 8th, and one from Buckden Marina on the 24th. Details are in a booklet that leaders issue, or you can make contact as below.

If you can walk at your exercise-walking pace for 45 to 85 minutes, a healthwalk is for you. Wearing sturdy footwear and weatherproof clothing is vital, and carrying a small bottle of drinking water will avoid the risk of dehydration.

Healthwalking is healthy and fun. You can usually opt for a hot drink afterwards. Walks cost nothing, although voluntary donations to the development of the subsidised scheme are gratefully received.

Save our Oceans

The critical problem of plastic contamination in our oceans has received a lot of attention recently, partly because of the exposure that David Attenborough gave to the problem in Blue Planet II. It is up to all of us to help reduce the production of plastic, now that we know how damaging it is to marine life. But those who rely on the ocean for their livelihood have been aware of the problem for years and years. For example, the diving organisation, PADI, set up a charity called Project AWARE with a focus on cleaning up the ocean as far back as 1989. And

Buckden Village Festival

What a hot day it was and also a day of two halves as far as the fete was concerned; busy from 12.30 – 2.30pm and then for some reason (possibly related to football) very quiet for the second half of the fete. Thank you to everyone who helped organise the three days of the Festival Weekend whether involved in the committee over the last few months, sorting out items in the lead-up or setting up on the day. If it was not for so many people just getting on with tasks the event would not be possible to organise. If you would like to help next year or have any good suggestions please let us know on

Summer Reading Challenge

The Summer Reading Challenge is now in full swing across Cambridgeshire. At Buckden Library children are busy reading and collecting stickers as part of the 'Mischief Makers' challenge.

This year, there's also a challenge for 10 – 18 year olds. ImagiNATION involves reading two books and creating artwork and reviews to inspire others to read your recommendation. Everyone who takes part in ImagiNATION will be entered into a prize draw at the end of the summer.

It's not too late to take part, just come along to the library to sign up and join the fun!

Children's Events and Activities in August
Mischief Makers Musical Storytime

Children of all ages are invited to a musical afternoon of stories, songs and rhymes. Join us at 2.15pm on Tuesday 7th August.

Comic Book Workshop

Join us on Tuesday 21st August for this Comic Book Workshop. Learn to draw cartoons, write stories and make your own comic strip. Suitable for children aged 7 – 12. Tickets are £3 each and are available from the library.

Craft activities

Make your own mischievous character

Come along on Tuesday 7th August at 2.15pm to make your own mischievous character. Colouring and creative fun for children of all ages.

Beano glasses

On Tuesday 28th August at 2.15pm come along to the library to colour in your own beano glasses and use them to crack the secret code! Suitable for children aged 4 and above.

Engage in the Afternoon - Classical Guitar

On Wednesday 15th August from 2pm – 3.30pm there will be a performance and talk from local professional musician Tom Bryan. Tickets are available from the library. Do come along and join us.

Storytime

Buckden Parish Community Allotments

We now have a small number of allotment plots available including our new half size plots, designed for those whose spare time is short.

The allotments can be an ideal place to unwind, relax whilst taking exercise, not to mention cutting down on your grocery bill! In the last year we have also welcomed Buckden C of E primary School and the Scouts to the allotments who are all adding to a strong community feel at the allotments, not to mention some great vegetables grown.

With support from our local business and grant applications we are in the process of creating a communal area giving plot holders a place to socialise and shelter when needed.

We will be holding our annual BBQ at the new communal area on Sunday 2nd Sept, from 11.00am. Prospective new members are very welcome to join us and get a feel for having an allotment.

For further details on taking an allotment please contact the Parish Clerk on

July 2018

We have now reached the end of another school year – how quickly they pass. These last few weeks have been very busy with exciting activities.

The whole school, along with many of our parents, took part in the 'Race for Life'. We managed to avoid the very hot weather by doing the walk early in the day. Many of the participants were able to walk 12 laps of the school field to complete the 3 kilometre walk, ready to receive their medal at the end. Well done to everyone who took part. We were also lucky for Sports Day – due to the hot weather we changed the timetable for Sports Day and all the races took place in the morning, a very hectic schedule. We had the traditional mums and dads races as well as the staff race. Well done to everyone who took part. We finished with a picnic on the school field. Thank you to all our visitors who came along, we hope you enjoyed yourselves.

During transition week the children met, and spent 4 days with their teachers for next year, and we also welcomed our new Reception children who experienced life in school including having a school dinner. Their week ended with a teddy bears picnic on the school field. The rest of the school had a good week preparing for next year. During transition week our Year 6 children visited their new secondary schools to familiarise themselves with their new routines.

During the last week of term we had many activities taking place in school. We had our Honours assembly, with children receiving their end of year Honours awards. The Year 6 children had their Year 6 Leavers Prom. Everyone dressed – the girls looked lovely in their dresses, and the boys all looked very 'dapper'! The leavers celebration assembly was a very fitting finale and an emotional time everyone who is leaving Buckden School. There were tears from both the children and the parents. We would like to wish the Year 6 children, and all our leavers, good luck in their new schools.

The Buckden School community would like to thank parents and members of the community who have supported the school during the past year. We wish you all a good summer and look forward to seeing you in September at the start of the next school year.

As I write, we are looking forward to ending the summer term and our school year in style with a Teddy Bears' Picnic and Sports Day.

As part of our People Who Help Us topic, the children have had visit from local firefighter Matt Linell and Peterborough paramedic, Matt Withers, who brought along his ambulance. They had a great time trying on firefighter uniform, wearing high-vis paramedic jackets, exploring the ambulance and seeing their oxygen saturation and heart rate displayed on a monitor! They're now looking forward to a visit from Richard Braddick, our local PCSO. These visits are not only fun but also valuable learning experiences for the children, reminding them what to do in an emergency. We would like to thank all our visitors for giving the children a memorable and exciting end to the school year.

As the year ends, we are saying goodbye to valued committee members who will be sadly missed. The staff would like to thank Danika Stevenson, Angela Newton and Mandy Williams for their contribution to Preschool and wish them well for the future.

We would also like to thank all those who donated items for our tombola stall at the village fete or supported us on the day. Despite the heat and competition from the football (apparently there was an important game on??), we raised over £90.

Finally, a reminder that we are always keen to recruit new committee members. You don't have to be a relative of a Preschool child or have hours and hours to spare to join. We are grateful for any time you can spare!

For information about Preschool, please contact our Manager, Samantha Sinclair, on 07941 671999 or visit www.buckdenpreschool.co.uk.

You can also contact our Chairperson, Danika Stevenson, at buckdenpreschoolchairperson@gmail.com and see our Facebook updates at <https://www.facebook.com/www.buckdenpreschool.co.uk/>.

BUCKDEN JUNIOR FOOTBALL CLUB

Weekly Training Sessions For U7s-U11s Who Are Not In A Team

Next season (starting in September) BJFC is hoping to start up a weekly training session on a weekday evening for all children from U7 to U11 who wish to play football but are not registered with a team. We get quite a few parents asking whether their child can join a certain age group but most of our teams are well subscribed and therefore cannot take on any new players, even just for training. However a weekly training session dedicated to these potential players might be just the ticket, even if they have never been involved in a team or even trained in a group before. This would be a great opportunity to train without the commitment that being on a team requires, whilst it can also be a great stepping stone for any players who then wish to join one of our teams when places become available, as squad sizes increase every 2 years and some players leave.

There would be no commitment on the part of the players or parents/carers, just a weekly fee of £3 to help cover the cost of equipment and running of the club day to day.

However, we would need volunteers to run this enterprise (qualification courses would be paid for by BJFC). If you are interested in helping, please contact: Michael Lander (**07912 346481** bjfcchairman@hotmail.com)

BJFC Needs Volunteers For Committee And Tea Bar Roles

We are searching for volunteers for a number of positions in the Club, both on the Committee and in the tea bar, for next season. The positions are:

Charter Standard Representative - to join our committee; the role includes making sure that all managers/ coaches/assistants are up to date with their first aid, safeguarding and CRC checks and also booking courses when needed with Hunts FA to help/improve our team officials' quals so that we can help the players progress and develop their skills. A full handover/training will be given.

Managers' Representative - to join our committee; the role includes being the first port of call for managers' queries/issues in the hope they can be resolved before reaching the Chairman or Secretary! You would be free to expand it as you see fit - perhaps organising managers' coaching sessions to discuss training methods/drills etc.

Match Day Tea Bar - This role would involve selling tea/coffee/snacks/hot rolls from the village Club on match days. The village Club would order the stock and BJFC would take all the profit which would help us to, for example, make improvements to facilities/equipment at the club. If there is enough interest, we could run a weekly rota system to help avoid volunteers missing out on watching their family members' matches.

If you, your family, friends, grandparents or parents/carers/grandparents of players wish to step forward then please contact: Michael Lander (**07912 346481** bjfcchairman@hotmail.com)

Buckden Tennis Club

Anyone for tennis? Buckden Tennis club is located behind the village hall, next to the playing fields. We welcome people of all ages and abilities, whether you are an experienced player, want to get back into tennis or just fancy taking up the game!

Our 4 all-weather hard-courts are open 7 days a week, all year round, with floodlighting to county standard. We have club tournaments throughout the summer. Chairman's Cup and BBQ is next, on 11th August. We also have mens, ladies and mixed teams competing in Hunts & Peterborough Summer League after great success in the Cambs summer league. We're always looking for new team members so please let us know if you're interested in joining us.

Social Play is a great way to meet up with other members and takes place on Saturdays and Sundays mornings and Wednesday evenings. All members are welcome – no one is left out. The courts are free to members to use at other times if they wish to arrange their own games.

For those looking to brush up their skills or learn new techniques, LTA licensed coaching is available for adults and juniors through Over and In. Please contact our coach Matt Sanders (matt@overandin.com). Coaching is available on 1:1 basis & group sessions can also be arranged. For more information about the club contact our Chairman Clare Fraser on [07740456972](tel:07740456972), or visit our website at www.buckdentennis.org.uk, or our Facebook page <https://www.facebook.com/buckdentennisclub>

BUCKDEN PAROCHIAL CHARITIES
VACANCY AT THE BURBERRY HOMES

The Charity manages South's Almshouses and Burberry Homes in Church Street, Buckden, consisting of fifteen self-contained flats for singles or couples, usually over 60 years of age, who live in Buckden or who have a close active family relationship with residents of Buckden.

The Almshouse flats are unfurnished dwellings, designed with the needs of older people in mind. The Almshouse is the resident's home for as long as s/he is able to live an independent life. Residents pay a modest weekly maintenance contribution and, in addition, may receive support from the statutory authorities. A Warden is there to provide support to residents.

We now have one vacancy in the Burberry Homes (the more modern of the two properties).

If you are interested, please contact the Clerk for more information and an application form:

Joe Greenway, 2 St Hughs Road, Buckden, PE19 5UB
07745 889759 or joe.greenway@btinternet.com

Applications close Friday 31 August 2018.

Those who have made applications within the last 6 months will be contacted separately to enquire whether they wish to be considered and need not re-apply.

Buckden Community Litter Pick

If you enjoy the countryside, are concerned about plastic litter washing into our rivers and on to our seas and beaches, or would just like to meet other local people, please join us.

Meet outside **The George Hotel** in Buckden High Street

Sunday 19th August, 9.30 am

Feel great after an hour or two of fresh air and good company. Complimentary refreshments kindly provided by **The George Hotel**.

Please contact Natasha Marsh via email tasha.marsh2@gmail.com or leave me a message on 07913 657836 if you'd like to come along.

Hi-Vis jackets, litter-pickers and bags will be supplied courtesy of Hunts District Council. Please bring your own gloves and suitable footwear.

All ages welcome, including children if supervised at all times by a parent or carer, as we will be picking along roadsides at times.
