## September 2018

As I write, the scorching summer that we've had so far seems to be in abeyance, at least for now. One of the consequences of the hot, dry weather is that this year's grain harvest has been earlier than usual (check out this month's cover photo). My farmer friend tells me that his yields are down about 15%, but quality is high. I noticed today that, surprisingly in spite of the drought, there is a lot of fruit on the blackthorn, so it'll be a good year for making sloe gin.

The proposed developments around Buckden are making lots of waves and are discussed in the Parish Council report, both County and District Councillors' reports and elsewhere in this edition, in a letter to the Editor and in an announcement from the group "Keep Buckden a Village".

There is an article by John Thelwall on page 13 that traces the history of one of the older houses in Buckden. It is based on the deeds of the house, which were donated to the Buckden History Society. It's fascinating to see the differences between the old and modern legal requirements for buying and selling properties, and how prices have varied since the mid-1800s. I enjoyed John's article and I hope you do too. We'd like to include more interesting articles like this, so please consider writing something for us.

Please remember to visit the Roundabout website. There are often articles there that we could not fit into the print edition, as well as information that arrives during the month: <http://www.buckdenroundabout.info/>

### Front Cover

This month's cover photo is of the 2018 harvest being gathered just behind Vineyard Way and was taken by Martin Shirley - as ever we are very grateful.

We are always looking for photos, images, drawings and paintings to use on the front cover so please keep sending them in. Please note that photos should ideally be in portrait format and should be a *minimum* of 2400 x 1700 pixels. More is better!

# Buckden Parish Council News...

## Planning Matters

Over 200 members of the public attended the meeting of the Council on Tuesday 14<sup>th</sup> August to hear the Council consider the Outline application for a new housing estate to the north of Mill Road.

The Council agreed the following resolution: **Buckden Parish Council strongly recommends that the OUTLINE application for a housing development to the north of Mill Road, Buckden be REFUSED and that no further large housing developments in the village be considered until:**

- The effects of the Lucks Lane development are clear, and
- There are agreed published plans in course of implementation for the future improvement to the A1, and
- There are agreed published plans in course of implementation for the future improvement to the main line level crossing.

**Silver Street Proposed Development:** The Council has arranged a Public Meeting in the Village Hall at 7.00pm on Thursday 6<sup>th</sup> September for the Church Commissioners and their agents to present their ideas for the proposed development on Silver Street.

**Lucks Lane Development** The Council will consider the conditional information supplied for this development at its meeting at 7.30pm on Tuesday 11<sup>th</sup> September.

## A1 and Main Line Level Crossing

The Council has been informed that there are no plans to upgrade the A1 or to improve the Level Crossing in the near future. The Council has written to our MP, the Secretary of State for Transport and the CEO Network Rail pointing out how urgently these improvements are needed. We shall continue to press them and HDC and CCC for support. We understand that Jonathan Djanogly is planning to discuss these urgent matters with all other MPs along the A1 from the M25 to Peterborough.

## Village Trees

The Parish Council commissions a survey of all of its trees every five years. At its meeting on 14<sup>th</sup> August the Council agreed to employ Hayden's Arboricultural Consultants to complete the Health and Safety survey this year. All Council trees will be labelled with small tags to ensure that when there are any issues the tree can be easily identified.

## Vacancies

There are still vacancies on the Council. If you are interested in becoming a Councillor please contact the Clerk or Chairman of Council.

The next Buckden Parish Council Meeting will be held at 7.30pm on Tuesday 11<sup>th</sup> September. The meeting includes a 15 minutes open forum. Parishioners are asked to apply in writing in advance outlining what they wish to say to the clerk by the 6<sup>th</sup> September for a three minute slot during the Open Forum

If required the Parish Council Planning Committee will meet on Tuesday 11<sup>th</sup> September and Tuesday 25<sup>th</sup> September at 7.00pm. Agendas for these meetings are posted on the Parish Council notice boards not later than the Saturday preceding the meeting.

Any questions or comments on this report can be addressed to the Parish Clerk, Georgina West, Clerk to Buckden Parish Council, Buckden Village Hall, Burberry Road, Buckden PE19 5UY. Telephone (01480) 819407; Email [clerk@buckdenparishcouncil.org.uk](mailto:clerk@buckdenparishcouncil.org.uk) Do not forget our website at [www.buckdenparishcouncil.org.uk](http://www.buckdenparishcouncil.org.uk)

### FROM YOUR COUNTY COUNCILLOR

The very big attendance at the August parish council meeting is a clear indicator of the strength of concern about the cumulative impact on the village of the various outline housing proposals. The Parish Council chairman's response to the District Council met with the approval of the meeting, strengthened by several useful contributions from residents.

The next few weeks and months are going to be crucial as we seek, together, to make sure that any growth in the village is sustainable and enhances quality of life. As your County Councillor, I will be keeping a particularly close eye on two aspects:

- a) the effect of new developments on road traffic and safety
- b) the long-term implications for school places, both within the village at primary and pre-school level and also, some years ahead, at Hinchbrook School.

All this has to be taken into consideration alongside housing growth in Brampton, Godmanchester and Huntingdon. I recognise that all this is unsettling and very challenging but I will do what I can to keep a clear eye on the key factors.

The bottom line is that there is a serious housing shortage in the country and in this area with over 3,000 families on the local housing list. Domestic instability is a strong contributory factor in several social problems, not least for young children, so it is in everybody's best interests that solutions are found. But these solutions must respect the structure and fabric of our towns and villages as far as is humanly possible.

We live in interesting times. Keeping in touch and well informed is more essential than ever.

If you wish to raise any local matters with me personally and would welcome a face-to-face conversation, I come to the Aragon Room in the Village Hall at 7 p.m. on the evening of the Parish Council meeting, the 2<sup>nd</sup> Tuesday in the month. At other times, please ring me on 07765 833 486 or write to me at [peter.downes@cambridgeshire.gov.uk](mailto:peter.downes@cambridgeshire.gov.uk).

### FROM YOUR DISTRICT COUNCILLOR

**Planning Issues:** Housing development, planning and the impact of strategic investment continue to be the main topics occupying both residents and the Council. The Huntingdonshire Plan 2036 is currently undergoing a process of ratification, with the initial evaluation taking place from 16 July. I attended several sessions and was able to make initial contact with a range of Developers active in the area. As with the Lucks Lane Enquiry last year, matters revolved around legal arguments and the statistical basis of decisions taken by HDC over the past 4 years when the 2036 plan was being developed. The consensus was that the HDC plan had been relatively well received by the Inspector, and there was optimism that the enquiry could be completed quickly. Further meetings take place on 10, 17, and 25 September when Buckden Parish Council will be making representations to the Inspector. Once ratified the 2036 Plan will then form the future planning structure, which will give the HDC more scope to influence planning events.

There is funding available from the Combined Authority for Housing and Infrastructure, especially when there was an alignment and common interest with regional objectives. This could be some form of post 18 education, especially as Buckden has so many conference and leisure resources.

**Transport:** I am working with Highways England and the County Council to find a solution to the roundabout congestion and hope to be able to implement a trial solution in the coming months. More news on this soon. On the issue of the Offord Rail Crossing, Network Rail continues to resist any moves either to close the crossing, or to improve it, which was also confirmed by recent work by the Parish Council. So we will probably have to work in this framework for the next two Network Rail budget periods, effectively 10 years.

**Local:** I met with several members of the Buckden Marina Trust and will be following up to see how the Marina community can be supported by various HDC resources and improve integration with Buckden. I am keen to try and get camera controlled lights onto the bridge to improve traffic flow; the same type of system that works so well on the Brampton A1 underpass. The Ouse Valley Way remains an issue for walkers, and I will be going to a conference on this in early September.

### Buckden Neighbourhood Watch

There has been number of cases reported nationally where criminals have targeted keyless cars by using relay technology to intercept the signal that is given off by key fobs. Although there have not been significant reports of this type in Cambridgeshire this is something to be aware of. Owners of high value vehicles are advised to take extra precautions:

1. If you have a garage don't use it as a storage area clear it out and keep your vehicle safe inside.
2. If you park your vehicle on the street or driveway, consider if there are other security products you could use such as a steering lock
3. If you have gates securing your driveway, keep them closed and locked
4. Never leave your keys on show or near a door
5. Consider purchasing a Defender signal blocker for your key fob. This simple device is essentially a small shielded wallet that the key fob is placed into. Secure by Design product, the defender meets standard criteria and can therefore be recommended by the police.

For more information about the defender signal blocker see <http://ow.ly/1hg630kycDr>

### Thought for the Month

Dear All

Well what a summer we have had so far, we have actually had an unusual year! The summer reminds me of 1976 which was so similar. As I sit to write this the weather has changed and storms have been the order of the day. Thankfully my son finished harvest the day before the rains came. All we have out in the fields are some big bales of straw and those do not suffer too much in the rain. In 1976 we actually finished harvest even earlier in July and would have had time to get another harvest in before it rained. Friends of ours took a Church youth group away for the weekend on that August bank holiday. They reminded the youngsters to take wellies and macs but as it had not rained for so long most didn't! That is when the rains came and they were unprepared!

This reminds me of the bible story about the young women who were unprepared when the wedding party arrived. I know it is easy for any one of us to point the finger at others who are not prepared. I will confess that at times that has been my lot; things creep up and I am not ready! How is it with you - are you ready for the future? Are you ready for every eventuality? Time waits they say for nobody and that can be the fatal flaw in our lives. So, if you want to be ready for the future please come and find out about the way that Jesus Christ can help in giving assurance for that time!

Soon we will be in the time for Harvest Thanksgiving, do attend one and thank God for all his bounty!

Best Wishes

Tony Whitlock; Perry Baptist

**Huntingdonshire Health Walk Scheme****Huntingdon Group July 2018**

There are 20 - 30 different healthwalks on the Huntingdon group's "patch". Led by trained walk leaders, walks take place every Wednesday at 2pm and Friday at 10am. Details are in a booklet that leaders issue, or you can make contact as below.

If you can walk at your exercise-walking pace for 45 to 85 minutes, a healthwalk is for you. Wearing sturdy footwear and weatherproof clothing is vital, and carrying a small bottle of drinking water will avoid the risk of dehydration.

Healthwalking is healthy and fun. You can usually opt for a hot drink afterwards. Walks cost nothing, although voluntary donations to the development of the subsidised scheme are gratefully received.

## A Buckden House

By John Thelwall

A couple of years ago, the then owners of a house in Lucks Lane were kind enough to give their old title deeds to Buckden Local History Society. These deeds tell the story of the house and how they were bought and sold in the 19th Century.

In 1861 Charles Mehew, a harness maker sold the house to Thomas Adams, a baker, for £220, a substantial sum for a smallish cottage, but the sale included just under an acre of land at Hardwick Dene. Charles owned the Copyhold in the property. The freehold was owned by the Lord of the Manor and Charles had to pay a rent of 8d per year.

The transfer took place at The George Inn, Buckden, where the manorial court was held in the presence of the Steward to the Lords of the Manor.

In manorial courts there was also a representative group of tenants known as the Homage, who had local knowledge that the Steward didn't. Thomas Adams probably bought them all a drink for their trouble.

Today, if you are selling your house, the Transfer deed is a simple exercise in box filling. The money is sent between the lawyers and the seller's lawyer sends the Transfer deed to the buyer's lawyer. In 1861, life was not so simple. Usually a sale of land took place on or within sight of the land being sold. The seller would give to the buyer a handful of soil, taken from the land, or perhaps the keys to the house. That constituted delivery of the property. The buyer then handed over the purchase price in cash. The seller might show he had given vacant possession by, for example, jumping over a hedge on the boundary to the land.

Thomas wanted to be really sure Charles acknowledged he had been paid in full, so the Admission includes this receipt: *"to him [Charles Mehew] in hand [i.e. in cash] well and truly paid by Thomas Adams of Buckden aforesaid a Baker at or immediately before the signing or passing of this Surrender the receipt whereof the said Charles Mehew doth hereby acknowledge and of and from the same sum and every part thereof doth hereby acquit release and forever discharge the said Thomas Adams his heirs executors administrators and assigns"*

That's 65 words. In 1994, the last of the deeds, the receipt says: *"the receipt of which is hereby acknowledged"* - seven

words. So the legal language had become much simpler.

The house is described as being formerly in the occupation of Sarah Moles widow, deceased, then of Thomas Mehew, also deceased, who was the father of Charles, the seller, and who inherited it in 1827. In those days, when everyone knew everyone else's business and the village was a small community, such a description sufficed as the Homage knew exactly who owned what and which cottage was being sold.

*A view of Lucks Lane from the north: these cottages are perhaps like the one described in this article.*

In 1869 Thomas died and his widow, Susannah inherited it.

Then in 1873, Susannah sold it to Frederick Middleton. Fred is described as a gardener. The price was £150.00. William Bowyer, Merchant of Buckden, agreed to lend Fred £100 to buy the cottage at an interest the rate 5%. By 1882 Fred had paid off the debt but in the late 1890s all was not well with him and in April 1897 he had to borrow

£70 from Susan Middleton, his sister. Susan however only got 2% interest.

The mortgage also refers to Fred having built another house on the land, so Fred was an entrepreneur as well as a gardener.

In December 1897, Fred died. Perhaps he was ill when he borrowed the money from his sister and it was to help him through his illness because he couldn't work. In 1898, Susan inherited both houses. In the documents Fred is described as a "Gentleman" so he had gone up in the world. Susan inherited on condition that she maintained and provided "a home for my mother" so long as she (her mother) shall live. In 1909 Susan died, without leaving a will. She was a spinster and the cottage was inherited by her eldest brother Charles Middleton, also a gardener, but who lived in Derby.

Then in 1920 the property was sold at auction at the George and we are lucky enough to have a copy of the auction particulars. The auctioneers were Dilley Son and Read. The two houses were sold as one lot.

One had a sitting room, kitchen and bedroom, pantry, barn and earth closet. It also had a yard with brick and tile wood place, carpenters shop and loft over. It was rented out at 12 shillings (60p) per lunar month.

The other house had two sitting rooms, kitchen, three bedrooms, scullery and pantry, a small garden, earth closet and two brick and thatched barns. It was let at two guineas

*(Continued on page 14)*

(Continued from page 13)

(£2.10p) a quarter. So the total rental income for the two was £16-4-0 (£16.20p) per year.

The cottages were bought by Gertrude Gale, widow of Buckden – presumably a member of the well known Gale family.

In 1929 Gertrude Gale sold the properties on again. They were bought by James Wooley, a retired game-keeper. In 1949, James died, having appointed Richard William Wooley to

be his sole executor. There is no indication in the deeds what relation, if any, Richard was to James. He is described as a Railway Ganger, living at 6 Council Houses, Holme.

In 1950 he sold one of the cottages to his wife, for £150. Mrs Wooley then held onto the property until 1976. When she

*A view of Lucks Lane from the south—  
one of the oldest streets in Buckden*

sold it she was still living in Holme, so she had probably rented it out all this time. She sold it to Dorothy Ivy Owens who was then living in Cranfield Way. She paid £3,600 for it. Ms Owens made a very good bargain, because 6 months after buying it, she mortgaged the property for £6,950. Perhaps she used the money on doing it up and possibly extending it.

The interest rate she paid was 10.75% - unthinkable today. In 1978, just two years after she bought it for £3,600, Ms Owens sold it for £15,500 to a Mr and

Mrs James. They borrowed £13,950 – a 90% mortgage, at a rate of 9.75%. 90% mortgages are not a new phenomenon.

But the Jameses were probably well pleased with their bargain, because in 1980, they sold it again to a Mr and Mrs Payne for £26,500. So from 1976 to 1980, its value rose by over 70%. It sounds a lot, but in those 4 years the RPI went up by 66%, so house prices only increased slightly more than inflation.

In 1994 Mrs Payne sold it to a Mr Gosschalk and Ms Whittall, of the Lion Hotel Buckden for £38,500. In 14 years it had gone up in value by 45%. The RPI in the same period went up 248%!

Buckden has many old properties and if any of our readers have any old deeds that they would be willing to lend, or even give, to Buckden History Society, we would be very grateful as it will add to our picture of the history of the village. ### Cambridge Building Society Community Magazine Awards

The annual award ceremony for community magazines in Cambridgeshire, sponsored by the Cambridge Building Society was held on Monday 23rd July. Two representatives from the Roundabout editorial team attended. Although we didn't win an award this year, the judges had this to say about the Buckden Roundabout: "Not too many adverts, strong editorial content, great photos and plenty of relevant local news".

Your editorial team wants to keep improving the Roundabout. We would like to publish more articles of interest to our residents and we encourage all our readers to submit articles about anything that you think would interest our readers. We are also interested in including reports and photos of local events. You can submit material through our website here: [www.buckdenroundabout.info/contact-us](http://www.buckdenroundabout.info/contact-us) or by e-mail to [editor@buckdenroundabout.info](mailto:editor@buckdenroundabout.info)

## Bridge the Gap Charity walk

**Bridge the Gap** is once again expected to be a fantastic family day out or an opportunity for friends or work colleagues to get an insight of our impressive city.

This popular annual walk will take you to visit some of the stunning Cambridge Colleges and their gardens, which aren't normally open to the general public. 2018 is set to be another super year featuring **Christ's College, Sidney Sussex College, St Catharine's College, Trinity College and Pembroke College** with walkers also looking forward to being captivated by the fabulous exhibits at the newly opened **Museum of Zoology** which will also serve as a checkpoint on route.

This year the walk takes place on **Sunday 9 September** and will start and finish from Parker's Piece, with the Society of Cambridge Tourist Guides on hand throughout to offer interesting historical tales and provide an array of information about their stunning grounds and features, plus you'll be able to hear music from the hugely talented Waterbeach Brass Band as you wander around.

At the end of the walk a lively atmosphere in the tea tent will welcome you back, so all you need to do is sit back and enjoy a slice of cake.

This year is cause for extra celebration for headline sponsor Cambridge Building Society, as they celebrate a decade of helping to fund and organise the event. Peter Burrows, Fi-

nance Director for The Cambridge explains why they are so passionate about being involved: "**Bridge the Gap** provides the perfect opportunity to get involved with your local community - it's an event for the local community, organised by the local community to benefit the local community.

"The great thing about it, is that it's open to everyone. Not only does it give an opportunity to explore the Colleges that those who live here might take for granted but it raises much needed funds for two local charities whose valuable work really does make a difference to people's lives."

The Bridge the Gap team additionally consists of Arthur Rank Hospice Charity - a long standing beneficiary - and Romsey Mill who came on board in 2016, as well as TTP, Cambridge Assessment and the Rotary Club of Cambridge who continue to sponsor the walk ensuring that 100% of the entry fee directly benefits the Charities.

You will be in the company of more than 2000 people on this special day out, so please come along and help our community partners Arthur Rank Hospice Charity and Romsey Mill reach their fundraising goal of £50,000.

If you'd like to get involved visit <http://www.arhc.org.uk/bridge-the-gap.asp> or pick up an entry form from any of the Cambridge Building Society stores or branches. Online registration is available until 1pm on Friday 7 September for £18 each, or walkers can sign up on the day for £20. Children are free of charge when accompanied by a paying adult. Groups of friends, families or work colleagues are also welcome with special rates of £15 per person within a group of 10 or more, available until Friday 7 September – for group bookings please call Arthur Rank Hospice Charity on 01223 675888.

## Art4Africa Exhibition returns to Keysoe

Local charity Rise Africa UK ([www.rise-africa.co.uk](http://www.rise-africa.co.uk)) is holding its second Art4Africa exhibition in September from Thurs 6<sup>th</sup> to Sun 9<sup>th</sup>, to raise money to help educate 80 children in Tanzania. The charity hopes to better the £15,000 it raised at the previous event in 2016.

The Art4Africa exhibition will feature paintings, indoor and garden sculptures, pottery and jewellery by more than 70 local and nationally renowned artists, plus a dedicated gift area. Over 30 artists from Cambridgeshire and 17 from Bedfordshire will ensure that Art4Africa is not only a great way to help transform disadvantaged children's lives in Tanzania but also provides a unique opportunity for local artists to show their work. All pieces are for sale, with 100 per cent of the money raised going to the charity.

On Saturday 8th and Sunday 9th of September there will be a Barbecue and Bar area. The organisers aim to offer all visitors a great experience.

Olivia Faulkner founded Rise Africa UK in 2011 aged 21, after spending three months working in Tanzania. "I've seen for myself the difference a few pounds can make," said Olivia. "Buying a piece of art is an amazing feeling knowing that you've enabled a child to have an education."

The exhibition will be transforming Olivia's parents' home, an 18<sup>th</sup> Century Baptist Chapel and its gardens into a stunning celebration of local and national artworks. The venue is The Old Chapel House, Riseley Road, Keysoe, MK44 2HT.

Admission is free from 0900 to 1800 every day. There is also a ticket only evening, Wednesday 5<sup>th</sup> September 1930, offering a first view of the exhibition with drinks & canapes all with the sound of a steel drum band.

Tickets are limited and are on sale via [www.art4africa.co.uk](http://www.art4africa.co.uk)

Christopher Faulkner, Olivia's father said "Art4Africa started as an idea in 2016 to raise some money for Olivia's charity before we redecorated the house. It has become so much more and to have been described as "one of the best and most professional charity events" in 2016 was a real honour. We had to do it again, even though the house has been redecorated!! We really work hard to promote new artists and one of our most successful artists in 2016 had never sold a picture before. Giving new local artists an opportunity is a key objective for Art4Africa."

## Bookings

September is set to be a busy month after the relative calm of August. So far we have several business meetings including BeNCH, Parkinson's UK, Cambs County Council and Waitrose, a Blood Donor Session (7<sup>th</sup>), a wedding reception, a Table Top sale (22<sup>nd</sup>), three kid's parties and a private evening function as well as all our usual hirers.

Booking the Hall for a family celebration couldn't be easier and residents of Buckden are given discounted rates. Simply call me, email me or just pop in to discuss your ideas. The Hall looks so lovely when it's decorated for an event. The picture was taken when it was set up ready for a joint kid's party and christening. The black and white doesn't quite do it justice but gives you an idea of how the Hall is transformed with the marquee up, a few tablecloths and some pretty decorations!

We are very lucky to have this facility on our doorstep!

Good luck young scientists at Buckden C.E. Primary School who will be taking part in The Energy Challenge from September! The Energy Challenge is a science-focused competition organised by AstraZeneca and MedImmune for pupils in Year 5 and Year 6 in Cambridgeshire. If your school hasn't signed up to The Energy Challenge there is still time! The Energy Challenge will be running throughout the next academic year with a grand final scheduled to take place in June 2019. The challenge is aligned with the National Curriculum and is designed to help children recognise the impact of diet and exercise on their bodies. The participants will have fun whilst working scientifically; recording measurements, observing data and drawing conclusions. Furthermore, the challenge is completely free and participating schools will be assigned STEM mentors from AstraZeneca and MedImmune to support their pupils as well as receiving a scientific mechanical balance, to keep, for use both as part of The Energy Challenge and in their own STEM teaching into the future.

To sign up your school please visit: <http://www.theenergychallenge.co.uk/> or email [energyChallenge@astrazeneca.com](mailto:energyChallenge@astrazeneca.com) for further information.

Dear Sir,

The UK has finite space. Population growth has to stop at some point. Quality of life, traffic congestion, school, doctor provision and wildlife are being degraded by population pressure.

Population projections for the UK in the future show 72 million plus, putting us back to where we are now in terms of housing shortage.

The Huntingdonshire 2036 Plan is “to influence...” not “stop” development. There must be more accountability allowing residents to stop building. Solar panels, ground/air sourced heat pumps must be integral to new builds. Present policies fail sustainability.

All this needs to be taken up by all bodies at all levels now.

Yours sincerely  
John Davies

Our July meeting was party night. The committee provided scones, jam, cream and strawberries and also served the tea. Some members provided their own drink to make it more of a social evening. We all enjoyed eating and socialising with each other. It was a relaxing evening before our Summer break. We were entertained by a local choir "One over the Eight" who provided an informal concert for us. This was much enjoyed by all and we are looking forward to their next visit.

At the next Meeting, Tuesday 4<sup>th</sup> September 7:30pm in the Millard Suite at the Village Hall our talk will be about ACCW (WI supported charity). Everyone is welcome. The competition is a foreign holiday memento.

It's nearly time to open the doors of Preschool once again and start a new school year. We are looking forward to welcoming our new starters and hearing how our leavers are getting on at their 'big' schools.

As usual, we haven't been idle over the summer holidays. We are always striving to improve and expand the facilities, opportunities and activities that we offer the children, and returning children and their families will notice some changes in the look and layout of Preschool. We hope it will meet with their approval!

In this first half-term, our themes are focused on the children themselves: their likes and interests, their family and friends, the house they live in, their pets and their awareness of the town or village they live in and the environment around them.

Many young children don't know their address and following on from our People Who Help Us topic last term, we will be working on this with them so that if they need to give their address to the emergency services, they will know it off by heart.

We now have very limited places available for 2-year-olds in September, but there are still places available for children 3+. Do get in touch using the contact details below to book a visit if you're considering applying for a place. There is also a waiting list form on the admission page on our website.

Finally, you may have heard that we had an Ofsted inspection near the end of term. The Inspector said she had had a lovely day with us – high praise indeed! – and the committee and staff were very pleased with the result, which was a very solid Good.

You can view the report here: <https://reports.ofsted.gov.uk/provider/files/2789453/urn/221840.pdf>

Alternatively, you can follow the link from our website.

For information about Preschool, please contact our Manager, Samantha Sinclair, on 07941 671999 or visit [www.buckdenpreschool.co.uk](http://www.buckdenpreschool.co.uk).

## BUCKDEN JUNIOR FOOTBALL CLUB

Buckden Junior Football Club is a Charter Standard club and has been awarded 'Youth Club of the Year' for the 2017-18 season by Hunts FA. For next season, which starts on 8<sup>th</sup> September, 10 teams are planned:

Training Only - U4/5/6s (Dribblers)

League teams - U7 Caracaras, U8 Hawks Black, U8 Hawks White, U9 Raptors Black, U9 Raptors White, U11 Eagles, U12 Vultures, U13 Ospreys\*, U14 Harriers (all League teams are now grouped under the Hunts

Youth League).

\* The U12 Buzzards folded towards the end of last season; the U13 Ospreys are a new team

We would also like to take this opportunity to publicly thank our team sponsors for their generosity last season:

U7 Hawks Black	- Atlas Converting and Elise Parts
U7 Hawks White	- Bywater Plumbing
U8 Raptors Black/White	- Home and Garden and the Round Table
U10 Eagles	- Rob Barnes Decorating
U11 Vultures	- Escape
U12 Buzzards	- Adlam and Coombes
U13 Harriers	- Nisa of Buckden
U16 Falcons	- Lark Probuild Ltd

### Weekly Training Sessions For U7s-U11s Who Are Not In A Team

Next season, BJFC is hoping to start up a weekly training session on a weekday evening for all children from U7 to U11 who wish to play football but are not registered with a team. We get quite a few parents asking whether their child can join a certain age group but most of our teams are well subscribed and therefore cannot take on any new players, even just for training.

However a weekly training session dedicated to these potential players might be just the ticket, even if they have never been involved with a team or even trained in a group before. This would be a great opportunity to train without the commitment that belonging to a team requires, whilst it can also be a great stepping stone for any players who choose to join one of our teams when places become available as squad sizes increase every 2 years and/or some players leave.

There would be no commitment on the part of the players or parents/carers, just a weekly fee of £3 to help cover the cost of equipment and as a contribution to the day-to-day running of the club.

**However, we would need volunteers to run this enterprise** (qualification courses would be paid for by BJFC).

If you are interested in volunteering, please contact: Michael Lander (07912 346481 [bjfcchairman@hotmail.com](mailto:bjfcchairman@hotmail.com))

## Buckden Tennis Club

Buckden Tennis club is located behind the village hall, next to the playing fields. We welcome people of all ages and abilities, whether you are an experienced player, want to get back into tennis or just fancy taking up the game!

Our 4 all-weather hard-courts are open 7 days a week, all year round, with floodlighting to county standard. We have club tournaments throughout the summer. September is a busy month with the Maurice Pepper Mixed doubles on 2nd September, the Knock Out Finals on the 9th September and the Albert Dudley (Vets) Tournament on 23rd September. We also have mens, ladies and mixed teams competing in Hunts & Peterborough Summer League after great success in the Cambs summer league. We're always looking for new team members so please let us know if you're interested in joining us.

Social Play is a great way to meet up with other members and takes place on Saturday and Sunday mornings and Wednesday evenings. All members are welcome – no one is left out. The courts are free to members to use at other times if they wish to arrange their own games.

For those looking to brush up their skills or learn new techniques, LTA licensed coaching is available for adults and juniors through Over and In. Please contact our coach Matt Sanders ([matt@overandin.com](mailto:matt@overandin.com)). Coaching is available on 1:1 basis & group sessions can also be arranged. For more information about the club contact our Chairman Clare Fraser on [07740456972](tel:07740456972), or visit our website at [www.buckdentennis.org.uk](http://www.buckdentennis.org.uk), or our Facebook page <https://www.facebook.com/buckdentennisclub>

## Buckden Gardeners Association

It is with much regret that the committee have decided to **cancel the forthcoming Autumn show** scheduled for Saturday 8th September 2018.

This summer has been exceptionally hot and dry, with some record-breaking temperatures and very little rain. Most gardens are looking a little different this year; parched flower beds, lawns that look like straw and vegetables that have failed to thrive. This means that this year there are insufficient entries to be able to hold a Garden Show. In 2019 we anticipate a bright and colourful show.

Could all last year's Autumn trophy winners please return their cups to John, 1 Lark End Buckden. Tel: 01480 812008

Buckden Gardeners Association would like to welcome new members from Buckden and the surrounding area in Huntingdonshire. Annual membership £5.00, visitor fee £2.00.

All forthcoming events start at 7.45pm in the village hall and are advertised in the Roundabout and on our web site:  
<http://www.buckdengardeners.info/>

16th October - Paxton Pits Nature Reserve talk about Birds  
20th November - "Garden Colour All Year Round" talk by Geoff Hodge; radio presenter, journalist and writer.

## BLPSPA

### Who is a member?

As a patient registered with the Buckden & Little Paxton Surgeries, you are a member of the Surgery Patients' Association (BLPSPA). We need you to feel part of it.

### How does it work?

There is a committee that meets 4 times a year. There is a chair/ secretary/ treasurer/and village representatives all of whom stand for election annually in September

### What does it do?

The BLPSPA supports the development of good health in our community.

It can organise the transport of patients to and from the surgery when necessary.

Fundraising through the Association provides amenities at the surgeries, for example to meet the stringent requirements of Health and Safety (the chairs in the waiting rooms), and the automatic doors and their maintenance. We've funded the wifi connection, new

radios in both surgeries, the check-in screens, blood pressure monitors for patients to borrow, pillows for examination couches, and most recently purchased new phlebotomy chairs. We're currently looking at upgrading the bicycle racks at Buckden Surgery. Funds are raised mainly through the 200 Club. Significant sums raised by the book sales at Little Paxton also help.

Informative talks and social events such as coffee mornings are organised.

We also can provide, where appropriate, communication between patients and surgery staff, enhancing what is available.

### How can I become involved?

You could join the committee – our next round of elections is in September. Alternatively, you may have ideas of topics for events that could be of interest to you or your family. Or you may have a particular interest or skill to contribute? We also try to be at village events where you can talk to us. Please do get in touch.
